One Time Fees

A non-refundable Application fee is required for consideration of each application. Applications will remain valid for a two-year period from the date of submission.

A non-refundable Registration Fee is charged to all new students (except for Pre-K3 and KA) regardless of when they enter during the school year.

The English-as-an-Additional-Language (EAL) fee is charged for students requiring EAL support. The determination of EAL support needs is made solely by school staff, is a condition of enrollment and is not subject to parental discretion. This fee is refundable only if the student exits the program within the first quarter of attendance.

Students who leave CA for one academic year or more are required to pay one-time fees upon re-enrolling.

Annual Fees

The Building and Development fee is charged annually, in full, to all students who attend CA. Proceeds of this fee are dedicated to the ongoing maintenance, renewal, and replacement of campus facilities. This fee is not prorated for late entry or early withdrawal.

Annual Tuition, which funds staff and programmatic costs, is charged to all students who attend CA. Payment of the annual Tuition Fee includes membership in the Parent Teacher Association (PTA) of Canadian Academy.
