1. What language is used at home?

.....

2. What is the mother tongue of your child?

.....

3. Can your child speak his/her mother tongue as native speakers of his/her age can do?

.....

4. Can your child write and read his/her mother tongue as native speakers of his/her age can do?

.....

5. CA recognizes that keeping two languages (English and mother tongue) up to the academic level needs extra time and effort. CA can provide some support for mother tongue maintenance through interested parents. What language would you be interested in?

.....

.....

.....

6. What is the future plan of your child?
Where will (can) he/she study? Where will (can) he/she live and work?

.....

.....

.....
